

With the best natural colour diamonds and a unique design, 'Les Adorables' Collection from London-based Diamond Merchant **Yves Frey** is set to create a buzz when it is launched at IJL. With the highest quality stones in a variety of colours, Les Adorables is his first branded concept. Promising a solution to the issue of how to present single natural colour diamonds for the greatest impact, the range will allow retailers to offer a personalised and unique service.
